## SVHS Eligibility and Training Code

There may be other rules, guidelines or applicable constitutions determined by the respective club, group or other competitive organization and/or the advisors and the administration of the high school.

### **Section I – Health Standard**

No use, possession of tobacco in ANY form. No use of, sale of, distribution of, possession of, being under the influence of narcotics, drugs, controlled substances, or alcohol. If you are with a group that is breaking your training rules, you will be considered guilty. The consequence for failing to abide by these health standards is immediate dismissal from the team, group or class office for the remainder of the season. Any letter, honors or post season recognition will be denied. Coaches and administrators reserve the right to NOT write a letter of recommendation for post high school purposes based on a violation of this code.

### **Section II – Academic Standard**

Students must maintain a passing grade in all classes during the season. Eligibility will be determined on a weekly basis. Students will be warned and given one week to work closely with the teacher in correcting academic problems. If the student is still not passing a class for the second week in a row, they will be suspended from that week's event. Students will remain suspended until the following week's eligibilities are run. Eligibility reports are run on Tuesdays. Also, if a student is caught cheating, he/she is ineligible for that week's event.

If ineligible for three weeks during the season or caught cheating a second time, that student will be dismissed from the group.

It is the student's responsibility to get homework from teachers **BEFORE** leaving on trips, and monitoring their grades.

### **Section III – Good Citizenship Standard**

The student will avoid suspension or other disciplinary action for misbehavior or truancy. Skipping released time classes, failing to check out of school properly in the office, or not attending class until they are released as a team is considered unexcused. Students are required to be in ALL classes on the day of an event. If you are going to miss a class, you must have approval from the Activities office PRIOR to leaving school. Failure to do so will result in not participating in that day's event.

Misbehavior includes any conduct on or off the court that would bring embarrassment to the team or school. Consequences for misbehavior will be up to the Administration's discretion. **If misbehavior occurs during a culminating event, discipline will carry over into the next season and will include suspension from participation and possible dismissal.**
