

FYI

Remediation Friday School at SVHS

Here's a little information about Remediation Fridays at Star Valley High School.

Remediation Friday Schools are held periodically throughout the school year. Exact dates can be found on the SVHS Red/Gold Calendar. Some students are assigned to come to Friday School, but all students are welcome to come for enrichment activities or extra help.

Students may be assigned to attend Friday School for a few reasons. These reasons can include; missing assignments, make-up tests and low grades. Parents of students that have been assigned will be notified by email and/or text message. Please visit with your student to find out which class or classes they have been assigned for. Students must check in with and work in each class that they have been assigned during Friday school.

Students can also come to Friday School if they haven't been assigned and are wanting extra help with schoolwork, or to get caught up. If your student has not been assigned, but has missed school recently – they might want to utilize Friday school. Friday school is a perfect time to come in and get extra help. Unassigned students that are planning to attend Friday school need to sign up in Infinite Campus for classes they are coming to.

Some students that are in activities may be asked to come for enrichment. For example, students involved in the school musical may be asked to come for extra practice during Friday school.

Friday school hours are 8:00 am – 11:30 am and busses will run utilizing regular community stops (the same stops for activity busses). The list of community stops for bussing can be found on the district transportation website. Students not riding the bus, do not have to stay the entire time if they do not need too. Once a student has checked in with each assigned class and completed all that they need to, they are welcome to leave.

If you have any questions regarding Remediation Friday School, please feel free to contact SVHS at 307-885-7847
