## **SVHS ADMINISTRATION**

Parents and students, we just wanted to say congratulations and thanks to everyone as we worked through our WyTopp and ACT tests. It takes a village to not only survive but THRIVE during this time.

11th grade ACT scores improved to a 20.66 average composite.  
10th Grade Math increased their score by 15%. Impressive!  
10th grade science was 12% above the state average. Impressive as well!  
10th grade English was above the state average by 15%!  
9th grade math scores increased by 16% from last year. Very impressive!

Our students and teachers did a great job taking on these tests and doing the best they could. Thanks again to our parents, students, and teachers for helping to make SVHS a great place to be.

Go Braves!
