SVHS ADMINISTRATION

We have just started our 3rd trimester and as we work to the end of the 24/25 school year, we wanted to thank you for all your hard work, resilience, and especially the kindness you have shown others throughout the year. Most of which we are unaware of. Your actions not only affect you, but those with whom you associate and interact with. Being kind to each other is a powerful force that can lift spirits, bring a smile to the face of someone, and helps to create a great school atmosphere for all. Please do your best to work hard, stay focused, and press forward as we get closer to spring, our ACT and WyTopp testing time, and ultimately the close of this school year. Please reach out with any questions, concerns, or ways we can be of service and helpful.
