SVHS ADMINISTRATION

As we look forward to our snow melting, we start to gear up for our upcoming WY-TOPP tests. We just wanted to say thank you for your support and dedication to your child's education. We understand this upcoming stretch can be a bit stressful at times, and we hope to help all our students do the best they can. Please encourage your son and/or daughter to get enough rest. There is some great research out there on how much better we perform along with our general happiness when we get the rest our bodies need. Thanks again for all you do, and we hope you have a wonderful (not snowy) April.
