SVHS ADMINISTRATION

We are sincerely looking forward to another school year! School starts on August 21st and we couldn't be happier. Here at the high school, we continue to strive to achieve our vision of helping every student "Bravely Prepare for Success at the Next Level". Last year was amazing and we anticipate this year being just as awesome. SVHS has a rich tradition of excellence in academics, activities, and athletics with many opportunities for our students. We are grateful for our staff and their diligence in staying abreast of all the newest innovations of the art and science of teaching kids. Our students are among the very best in the nation, we truly believe that their efforts and dedication to their own education is inspiring and a reflection of their parents and this great community. We were so proud of all the achievements and accomplishments of our kids last year in a vast variety of areas, including the WYTOPP test where our students outperformed their peers in the state. We are poised for another amazing school year! The student council theme this year is "All In" - what a great theme as we seek to give our all to one another and this great school!

Our daily schedule will be the same as last year with 1st period class beginning at 8:10 a.m. and students being released after 6th period at 3:34 p.m. Please prepare to be prompt and on time! Please be mindful of the dress code as you do your school shopping and preparations for this school year. The dress code can be found in our handbook at www.svhs.org under the students and family tab. We will continue to offer Academic Support on Tuesday mornings in an effort to additionally support students. This will run from 8:00 am - 8:30 am, followed by 1st period.

The best advice we can give to students is to be where you are supposed to be and do what you are asked to do, enjoy your time here as the years quickly pass by. Finally, please, please Choose to be Kind, get involved, and have a fun year. It's going to be amazing!

Go Braves!
