SVHS ADMINISTRATION

SVHS Family–

Thank you all so much for a great start to our year. We have had great news from the Wyoming Department of Education about our testing from last spring. Our students have done so well, thank you for supporting them, we will be sharing more about this in the future.

We recently had an assembly from the Stand4Kind group. Parents, please share with your child how important the message of kindness is. I believe our success is directly connected to this act that is in all our control to use.

Go Braves!
