SVHS ADMINISTRATION

We recently came across this quote from George Washington Carver and felt it was worth sharing with our SVHS family:

"How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant of the weak and strong. Because someday in life, you will have been all of these."

Parents, we want to encourage you to stay connected and engaged with your children—especially when it comes to their use of digital devices. Research continues to show that too much screen time isn't healthy for any of us. Our students—your kids—are young and impressionable, and their presence in the digital world matters. We ask that you remain diligent in understanding where they are spending their time online and how they are engaging there.

Hang in there. Parenting is not an easy job, and your efforts truly make a difference.

Go Braves!

STUDENT COUNCIL

Our theme for February is: ALL IN ON COURAGE

"All in on Courage" means choosing to show up—even when it's uncomfortable, uncertain, or hard. It's raising your hand when you're not 100% sure of the answer, trying something new even if you might fail, and standing up for yourself or others when it really matters. Courage isn't about being fearless; it's about moving forward despite the fear. This year, go all in on believing in yourself, taking healthy risks, and growing into the person you're meant to be—because real confidence is built when you're brave enough to try.

Star Valley Winter Games

17 February 6

10:00–11:30 AM

Afton Golf Course

Come cheer on our amazing athletes as they compete, smile, and shine! ❤️

All abilities. One community. One awesome winter day.

PROSPER
Wyoming
