SVHS ADMINISTRATION

As we begin our 3rd trimester and head toward the close of the 2025–2026 school year, we want to take a moment to thank you for your hard work, resilience, and especially the kindness you have shown throughout the year. Much of what you do for others goes unnoticed—but it matters.

Your actions impact not only your own success, but also the experiences of those around you. A simple act of kindness can lift someone’s spirits, bring a smile to their face, and help create a positive, welcoming school environment for everyone.

As we move closer to Spring, the upcoming ACT and WY-TOPP testing, and the final weeks of school, we encourage you to stay focused, continue working hard, and finish the year strong. If you have any questions, concerns, or need support in any way, please don’t hesitate to reach out. We are here to help and to serve you.

Go Braves!

STUDENT COUNCIL

Our theme for March is: “SUCCESS”

Success isn’t about being the smartest person in the room or having everything figured out—it’s about showing up, putting in the work, and refusing to quit when things get hard. In high school, success means taking responsibility for your goals, learning from your mistakes, and pushing yourself a little further each day. Every assignment completed, every practice attended, every challenge faced is building your future. You don’t have to be perfect—you just have to be persistent. The habits you create now, the effort you give when no one is watching, and the courage you show when things feel tough are what truly define success. Believe in your ability to grow, stay focused on your goals, and remember: the small steps you take today can lead to big victories tomorrow.
