SVHS ADMINISTRATION

Hey SVHS Family!

We hope you've been enjoying this beautiful spring—it's been one of the best we can remember here in Star Valley! We've had an incredible start to Track & Field and Soccer, the musical was a huge success, and so many other activities are still in full swing. It's been amazing to see our students so involved and thriving.

As always, we want you to know how much we appreciate your kids—and you. Thank you for your continued support and dedication to their education.

We hope Spring Break was refreshing for your family. As we head into the final stretch of the 2025–26 school year, we also begin state testing. WY-TOPP will be administered throughout April, and we truly appreciate the effort our students put into doing their very best. We're proud to compete with schools across the state and strive for excellence in academics.

We know this time of year can feel a bit stressful, and we are here to support your students in every way possible. Please encourage them to get plenty of rest and take care of themselves—those simple things make a big difference. Research consistently shows how important rest and overall well-being are to both performance and happiness. Your encouragement at home plays a huge role, so a few kind words (and maybe a hug) can go a long way.

Thank you again for all you do. We hope you have a wonderful April!

Go Braves!

SCHOOL NURSE

Visit the Website by going to:

lcsd2.org –

Click the Family & Students Tab –

Select "School Health & Nurse Services"

*Please make sure and contact the school nurse if your student needs to take any medications at school.

I'm Mrs. Sage
Wyoming teacher,
Buffalo local, and
parent of two. I
know statewide
tests can feel like
a mystery, so I'm
here to make
WY-TOPP clear
and helpful.

REQUIRED TESTING

GRADE-LEVEL TESTING		
3-10	5,7,9	4, 8,10
ELA & Math	Writing	Science

The Wyoming Content and Performance Standards (WYGPS), created by Wyoming educators, outline what students are expected to learn in each grade and content area, and all test questions are designed to align with these standards.

WHAT THE TEST LOOKS LIKE

- Standards-Based Questions.
- Adaptive to Student Responses.
- More Than Just Multiple Choice.
