SVHS ADMINISTRATION

SVHS Family,

Thank you all so much for a great start to our school year!

We recently had the opportunity to hear from the Choices Matter group, sponsored by the Wyoming Department of Transportation. Their message about making safe choices was powerful and impactful. We are especially grateful to Martin Locket for sharing his personal story with our students.

Parents and guardians, we encourage you to continue these conversations at home. Please remind your students how important it is to make safe choices while traveling to and from school, spending time with friends, going on dates, and interacting with one another.

High school should be a fun and memorable time in our students' lives—one they can look back on with great memories for many years to come. By working together, we can help our students make good choices, stay safe, and enjoy all that these years have to offer.

Thank you for your continued support and for all you do to help make SVHS a great place to be.

Go Braves!
