

Remediation Friday School at SVHS

Here's a little information about Remediation Fridays at Star Valley High School!

Remediation Friday School is held periodically throughout the school year. Exact dates can be found on the [SVHS Calendar](#). While some students may be assigned to attend, all students are welcome to come for additional academic support!

Students may be assigned, but are not required, to attend Friday School for a variety of reasons, including missing assignments, make-up tests, or low grades. We encourage parents to visit with their students about which class or classes they may need to work on.

Friday School is also a great opportunity for students who want extra help, need time to catch up on assignments, or have recently missed school and need to complete make-up work.

Please note: Not all teachers attend every Friday School, but teachers are available to provide support in all core subjects. Students planning to attend are encouraged to check with their teachers ahead of time to find out who will be available to help them.

Some students involved in extracurricular activities may also be asked to attend for enrichment opportunities. For example, students participating in the school musical may be asked to attend additional practices during Friday School.

Friday School Hours & Transportation

8:00 AM – 10:30 AM: Students riding the bus

8:00 AM – 11:30 AM: Students who drive themselves or are dropped off

Buses will use regular community stops (the same stops used for activity buses) and will depart from the high school at 10:30 AM. A list of community bus stops can be found on the [District Transportation Website](#).

Students who are not riding the bus may leave once they have completed their work and are not required to stay for the entire session.

We hope students will take advantage of this extra time and support to stay caught up, get extra help, and be successful!
