SVHS ADMINISTRATION

What an exciting October we've had at SVHS! We've enjoyed a wonderful Homecoming week and all the fun activities that came with it. It's always great to spend time with our students, see their school spirit, and watch them make lasting memories.

It's hard to believe we're just a few short days away from the end of the first trimester! As students prepare for finals and the start of a new trimester, we encourage them to finish strong, get plenty of rest, and be ready for a fresh start.

We've also had a fantastic fall season for our Braves! Our Cross Country, Marching Band, and Golf teams have all competed at State, while Volleyball and Football have been battling it out in postseason play. A special congratulations to Mr. Sand, Lindsay Kallgren, and our Marching Band for bringing home the 3A State Championship! We are proud of all our students and their accomplishments!

On a more serious note, we'd like to encourage all parents and guardians to stay involved in their child's digital world. Too often, students find themselves in difficult situations online and aren't sure how to navigate them. Please take time to have conversations with your kids, know what they're doing online, and remind them they can always ask for help. We have resources available here at SVHS, as well as support from our local law enforcement when needed.

We truly love our kids and want nothing more than to see them safe, happy, and successful. We are fortunate to live and work in such a great community, surrounded by great people who care about our students.

Here's to finishing the trimester strong and looking forward to all the great things November will bring!

Better TOGETHER

ONE FOCUS ♥ PRACTICAL STRATEGIES ♥ SHARED SUPPORT

Stronger Relationships ♥ Positive Impact for Every Student

NOVEMBER THEME:

Gratitude

This November, we focus on gratitude, recognizing the people, efforts, and opportunities that make a difference in our school each day.

PRACTICAL STRATEGY:

Effective Feedback

By providing meaningful, constructive feedback, we can recognize student effort, celebrate progress, and encourage growth. Effective feedback helps students feel valued, supported, and motivated to reach their goals.

**STRONG
RELATIONSHIPS**

Gratitude helps us build trust, show appreciation, and create a positive school culture.

**PRACTICAL
STRATEGIES**

Sharing ideas, recognizing what works, and giving effective feedback helps students grow and succeed.

**SHARED
SUPPORT**

When we encourage and support one another, we create greater opportunities for every student.

Better Together ♥

ONE FOCUS ♥ GREATER IMPACT.
